**Subject:** STEWARDS DECISION No. 6 **Document No:** 2.7

**From:** The Stewards  
**To:** The Competitor of car #17 – Emmanuel Guigou / Alexandre Stricher  
 All concerned

The Stewards, having received a report from the FIA ENEC Technical Delegate (Doc. TDR003) summoned the Crew and Team Representative and heard the codriver (Alexandre Stricher) (Summons No 1), heard the FIA Technical Delegate, have considered the following matter and determine the following:

- Facts:** During the development of Leg 2, the codriver of Car #17 removed the intended position of the FIA Measuring Device (GEOTAB) without authorization of the FIA Technical Delegate, placing it outside the passenger compartment.
- Offence:** Breach of Article 12.2.1.i ISC in relation with the instructions given by the FIA Technical Delegate.
- Decision:** To drop 10 places in the classification of the competition (Combined Classification of the event).
- Reason:** The Stewards determined that during the preliminary technical checks, the technical team installed the FIA Measuring Device (GEOTAB) within the interior of the cockpit of Car #17, similarly to the rest of the event's participants. The competitor requested to the FIA Technical Delegate at that time to install the device on the exterior of the vehicle, but this request was denied, having been clearly advised that the device could not be removed from the location where the technical team had installed it. The member of the crew (co-driver) admits to moving the device from its original position after the checks, without the express permission of the FIA Technical Delegate. This device and its mounts cannot be installed outside the vehicle as they are not water-resistant. Furthermore, its support is not designed to absorb/withstand the movements of the car, constituting a potential hazard if the device becomes detached while the vehicle is in motion. Therefore, the Stewards consider that removing this device constitutes a breach of the regulations, since the team did not follow the instructions of the relevant officials for the safe and orderly conduct of the Event.

The Stewards conclude that this is a breach of the above regulations and the penalty have been imposed according to Art. 12.3.1 & 12.3.2 of the FIA International Sporting code.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
